Walk lasted between 12:00 and 13:52. Tournament Park was open.

We had a rainy, but really good, walk. We saw big flocks of Crows, Bushtits, and Cedar Waxwings. We got 24 species, only 3 short of the record for a week 1. Despite the weather, we had 10 walkers, a big number for us, and it included 2 new walkers, Jan Palchikoff and Thomas Nakanishi. A couple of White-crowned Sparrows and one Hermit Thrush were the highlight birds. Well, I always like Cedar Waxwings, and we saw a lot of those. So, it was a great way to start the new year; but we hope for direr conditions next week.
