This was the first walk of the year and it was pretty good. The 25 species count was only 2 short of the record for a week 1. Highlight birds were the Downy Woodpecker, Cedar Waxwings in a tree, a couple of different kind of hawks, and a Snowy Egret. The gardeners that plagued us on Wednesdays last year down on Arden Rd. were not there on this first Tuesday of the year, so hopefully Tuesdays will work out better in that department.
