1	California	Towhee	0.75
15	Yellow-rumped	Warbler	1
6	Acorn	Woodpecker	1
1	Bewick's	Wren	0.62

Walk lasted between 12:00 and 14:01

Our species count was down from last week, spotting only 21 species, but we had a spectacular sighting: a Red-breasted Sapsucker. It was on a tree on Arden Rd. The predicted number of species was 22.1 so we weren't too short of the expected. it was a good walk.

Alan,
