Walk lasted between 12:00 and 14:12

Anytime you get 30+ birds, it is a great walk and we got 30, so good on us. Highlight birds were the Cassin's Kingbird, Cedar Waxwing, and four Chipping Sparrows down by Arden Rd. Ashish sent an email saying he is seeing more birds around his house than usual and is wondering if the fires brought them down to us. Maybe so, as 30 is 5.9 above the prediction. So, we shall see if tomorrow's walk is better than usual as well.
