Last week we were well under the prediction, but today we were right on the prediction. Well, we were 0.1 bird short. The prediction was 24.1 and we got 24. Some good birds were the Say's Phoebe and the Red-breasted Nuthatch. We are in for some rain next week. We'll take the first dry day at noon that comes along. Right now it looks like we may have to wait until Friday. Stay tuned to your emails for notifications.
