Walk lasted between 12:00 and 14:02. Tournament Park was open.

Wow, what a walk! We observed 31 species, which was only one short of the record for the week. I was well above the prediction this time (25.4).

We saw some great birds, including the Red-naped Sapsucker, the Snowy Egret, a Oak titmouse, and some swifts and swallows. Great walk.

Alan, 3/12/2023
