Walk lasted between 12:00 and 14:12. Tournament Park still closed.

It was a good walk. We got 26 and predicted was 23.5. We were not close to setting a record for the week (would need 35 for that), but it was an interesting walk nonetheless. I brought out the BirdNET song ID app on a couple of occasions and it surprised us. On two occasions, it came up with California Towhee and we said "no way", but then we saw them. I continue to be impressed with BirdNET.
