Viveca's comments: "Maintenance yard and tournament park are still closed. Walked lasted between 12:00 to 14:00. Megan two quarters of the way and me (Viveca) full walk.

No walk like last week but still a few interesting newcomers. Wilson's warbler found at two locations and my special friend the pacific slope flycatcher in the north community garden area.

Hope to see you all soon with mask covered faces!"
