2	Black	Phoebe	0.88
3	Common	Raven	1
1	House	Sparrow	1
1	European	Starling	0.38
4	White-throated	Swift	0.62
5	Oak	Titmouse	0
2	California	Towhee	0.88
3	Acorn	Woodpecker	1

Walk lasted between 12:00 and 13:52

We observed 18 species, 4 short of the prediction. The most interesting sighting was the group of Oak Titmice.

We observed 5 in the group, which is more than we remember ever seeing at one time. Other than that, the list was pretty much the same as last time, when we also got 18. So, not a lot to brag about.
