Viveca's comments: "Maintenance yard and tournament park are still closed. Walk lasted between 12:00 to 13:45.

Hope to see you all soon with mask covered faces!

This might have been Meagan's last walk, she is moving to Seattle soon."

Alan adds: I really hate to see you go, Meagan! You were a terrific asset to the walks. Your first walk was on 12/18/2018 and you logged 52 walks, exactly one year's worth and about 100 miles of walking. So glad to have had you be part of the walks and hope you come back and join in again if you happen to be visiting down here. Best of luck to you and your husband going forward.
