Walk lasted between 12:00 and 13:41. Tournament Park was open.

We seem to be stuck on 14 species. It was the third week in a row for that number. It turns out that is the median for this the 34th week of the year. I'd say the two Red-tailed Hawks at the beginning were the highlights. Another highlight was that it wasn't too hot: only 80 F. Nice walk.
