1	Band-tailed	Pigeon	0.50
3	House	Sparrow	0.50
1	California	Towhee	0.50
7	Acorn	Woodpecker	1

Walk lasted between 12:00 and 13:51.

We had a pretty good walk, 5 over the median and 2.7 above the prediction. The Cassin's Kingbird and another unidentified flycatcher were the two most interesting species. We also caught a Gull flying by. The mixed flock of Red-masked and Mitred Parakeets continue to be found. Very pleasant weather made for a very comfortable bird walk.
