13	Band-tailed	Pigeon	0.75
2	Common	Raven	0.75
3	California	Towhee	0.38
2	Turkey	Vulture	0
17	Cedar	Waxwing	0
7	Acorn	Woodpecker	1

Walk lasted between 12:00 and 14:14

This walk was led by Viveca and I don't know the details. But, I will say they observed 19 species, which was 2.1 above the prediction. And they got a bunch of Cedar Waxwings. Outstanding. So, it was a very good walk. The temperature had cooled down and that undoubtedly helped.
