Walk lasted between 12:00 and 14:06. Tournament Park was open.

We had a nice day, weather-wise, and it brought out a big number of walkers, 9 to be exact. And we got some good birds. A Western Meadowlark was out on the South Athletic field, along with a Say's Phoebe. First of the season for those. We tacked on a Townsend's Warbler and some Ruby-crowned Kinglets and we decided Fall was upon us. We got within 3 of the record for the week, so it was a very good walk.
