Walk lasted between 12:00 and 14:00. Tournament Park was closed.

We were honored to be joined by 5 members of the Caltech Women's Club. And they contributed to another great walk. We tied the record for the week! And one of the members, Edie Tyebkhan, is a great photographer. Here is one of her outstanding photos.

It was taken in the garden area off Wilson and the mockingbird was getting a drink from the faucet. Note the drop of water in its beak! Here's a link to the other photos she took:

We really enjoyed having the new walkers. They bring the total individual walkers to 201, and the total number of person-walks to 6329. At about 2.5 miles per walk, that is a lot of person-walk miles! We'd be happy to have any of them join us again.
