Walk lasted between 12:00 and 14:04. Tournament Park was open.

The 21 species observed were 1 above the prediction and 3 above the median for the week. So, pretty good walk. The bluebirds and waxwings on Holliston were a highlight as was the lone Rock Pigeon on the parking structure on Wilson. I only put down two Red-tailed Hawks, but we saw several more than that. We did see 2 at once, so, hence the 2. They do fly around a lot. Weather was fantastic.
