Walk lasted between 12:02 and 14:16. Tournament Park was closed.

This was a great walk. It started off slow but picked up steam, especially when he hit one tree on Holliston that had the robins, the waxwings, the bluebirds, the Nuttall's Woodpecker, a kinglet, and of course, yellow-rumps. What a tree! So, we did rebound from last week's poor showing. We got 25 species, two short of the record for a week 47. Not half-bad.
