Walk lasted between 12:00 and 14:15. Tournament Park was closed.

This was another great walk. Sounds like a recording. We bagged 26 species, short of the record 31, I'll admit, but we did see a couple of zero probability birds, Oak Titmouse and White-crowned Sparrow. Next walk will be Wednesday, 15 December, instead of the normal Tuesday because of rain predicted at 100% for Tuesday.
