Nice walk. Correction on where we saw Lincoln's Sparrow last week. They were over on Wilson (not Hill) in that garden area just north of a parking garage. Kent Potter made me aware of the error – hey, someone out there is reading the reports! Also, Viveca noticed the error. Chris was on top of her game; I would say we would have missed the Townsend's Warbler, the Cedar Waxwings, and the House Sparrow without her on the walk. Nice job, Chris!
