Walk lasted between 12:00 and 13:47. Tournament Park was open.

We had a spectacular walk, not because of the numbers, but because we saw a Merlin! Not often that we see one of those. We observed 22 species, two above the median but six short of a record. We had to speed up the walk up a bit because it started to sprinkle around 1:19 pm. But, no one got soaked. It was starting to get more serious just as we ended. Happy New Year everyone!
